Choke
This
Ass!

I may be young, but I love kinky sex. I'll do just about anything in any hole of mine. If there's a cock out there and a toy, then I can really get off with my holes filled. Then I'll kick back with a warm totty and get ready to do it again.

As a woman, you have to be confident in your sexuality or you'll get trampled on by other people.

# it's fun when two goes into one

**From Zach in Wisconsin**

I'm writing to you from my new home town of Madison, Wisconsin. I'm a freshman college student, something happened that I just got to write and tell you about it. My buddy, Flynn, and I (I'm Zach, by the way) are Badgers. That's the mascot here for the uninitiated. We like to have fun and get as much nookie as possible before we graduate and have to settle down into jobs and careers. Wouldn't you?

We heard of a new bar that opened up not too far from campus on Beltline Frontage Rd. so we headed down there one Friday afternoon after classes finished. When we walked in, we noticed it was like a Hooters rip-off with a little sluttier looking waitresses and outfits. But when we sat down, the waitresses didn't look so bad. Our hopes were high as we hoped to get.

The name on the badge of our server said 'Anjie.' Cute name, we thought. I ordered straight bourbon and Flynn had a draught beer. Anjie took our order in her white tank top and a red mini-miniskirt that barely covered her buttcheeks. Her shirt was tight and low cut, showing off her big boobs. We couldn't help but stare at her chest as she was coming back to our table with the drinks. When she placed them down, she leaned over and one boob almost fell out of her braless top. She knew we got a good look at her enormous breasts. Walking away, we saw her panties had crept higher and tighter into her ass crack revealing more ass than panty. Thank you Anjie.

The bar was okay. There were these private booths along one side, pool tables and, what they called a 'music center,' next to it with a DJ booth. We decided to head for a booth so we could scope out the room and watch who came in. Another waitress served us at the booth. Her name was Bianca and her boobs were even bigger and badder than Anjie's. Flynn and I looked at her and she flirted right back. As she left the booth area she pointed out that the curtains on either side could be drawn for privacy if we wanted. We looked and said, No, we were fine. She said it was set up that way for people who wanted to make out could do so in privacy. But there was a seven minute limit on low long they could be closed. We asked who timed it and she said the waitresses had to. Cool idea, we thought. Next time we'll bring some chicks and test it out. That'd be fun.

So a couple hours had passed and we put down over one hundred dollars in booze. The place filled up a little more but was still only half full. It was pushing midnight and we were debating leaving when Bianca came by with our last drink. We invited her to come sit with us and she said she'd consider it since her shift was ending now. We suggested she come back with her own drink that we'd pay for and just sit with us and tell us more about herself and the bar. She said she would and took away the empties.

About five after midnight she showed up, still in her work clothes. Her boobs shouted out to be motorboated and her fine figure climbed into into the booth, settling right down between us. After several minutes of lame conversation and some verbal sloppiness thrown in for good measure, we ask her if she'll consider fooling around with us behind the curtain. She said ‘no’ at first but we pull out a couple hundred between us and lay it on the table.

“We could order some more drinks.” I say with a wink. She laughs and adjusts her top so more cleavage shows. I pull out my last fifty and throw it down. “Will you put on a little show for us, at least?” I ask. Flynn pulls the curtain shut and she gets up on her knees in the booth and begins to gyrate. She pulls her top up releasing her beautiful boobs in the dim light. She shakes and fondles them, paying nice attention to her nipples. Then she takes one breast and brings it up her mouth and licks her nips. Then does the same to the other one. While she's licking the second nip, I move in and lick the free boob. She pulls away a little, but relaxes and lets me continue. Seeing his chance, Flynn does the same to the other one. Stereo nipple lickers.

After a couple minutes, Bianca stands up saying she should leave. Flynn grabs the curtain and holds it shut. “You're not leaving until we get some action.” With a flash, he pinned her down onto the table. Bianca was surprised. She wanted it alright, but didn't want it now. She knew she couldn't fight back, so she relented and relaxed. She reached for his crotch, and he understood. Unzipping his jeans, he brought his manhood out, which was at least 8 inches long. Bianca's eyes widened. How is she going to fit all that big cock into her tiny holes!

He turns her body on the table so he can enter her. Flynn pulls her little skirt up and pulls her panties aside, showing her shaven pussy, wet and ready. He opens her legs and pulls her knees up and shoves his bigness into her. I am working her boobs, massaging them like fluffy pillows and pinching her nipples to get them even harder. In and out, he pumped with a hand over her mouth to squelch her moans. He was about to cum, and she was too. She climaxed first, her pussy clamping down on his dick. He struggled to pull it out, but did at the last second and when his jizz squirted out, he aimed at her mouth. Bianca opened wide, swallowing and then sat up to clean his member off. “Let me fuck your boobies.” he said as he sat her up and positioned himself between them.

He grabbed them and pushed them onto his cock, rocking back and forth. Every time he pumped forward, Bianca tried to reach his cock with her tongue. The two were nearing to a climax again when suddenly someone opened the curtain. “I thought you were gonna wait for me?” It was Anjie saying it to Bianca. Her shift must have ended at midnight also. “Come on in, Zach needs some company, too.” That was good timing because I was starting to get a little jealous.

Anjie pushes me deeper into the booth and sits next to me. Immediately her hand unzips my pants to find my cock already dangerously close to exploding. She grabs it and starts to stroke it up and down. Feeling cramped, I stop her and get on my knees on the booth seat, putting my cock at mouth level for Anjie. She eagerly starts to suck me off. Her tongue swirls around the head and her left land strokes the shaft while the fingers of her right hand take my balls and play them like a pair of over-sized dice in a hot gambling hall.

I pull her head in tighter and fuck her mouth. My cock's not as big as Flynn's so I can fuck her mouth comfortably for the both of us. I reach both hands down and grab her boobs, kneading them like dough. She grabs my buttcheeks and pulls me deeper into her mouth. I can feel her tongue swirling around my shaft in her mouth. Her head pulls back and she pushes my cock straight up. Her tongue attacks my balls with soft wetness and lots of saliva, then takes first one then the other into her mouth and does her tongue swirling thing to them, all the while continually stroking my cock. I hope I've painted a good picture of what's going on because it's about to get a whole lot crazier.

Bianca shimmies across the table putting her face closer to Anjie and me. Anjie breaks away from my bj and gets up on the table to sixty-nine Bianca from the top. These two girls are putting on a show for us right there, inches away from us. I stick my fingers into Anjie's pussy as Bianca licks her. Flynn positions himself and sticks his cock between Bianca's pussy and Anjie's mouth. Anjie obliges and sucks him while fingering Bianca's swollen pussy.

I get closer to the table and stick my cock into Anjie's soaking wet pussy as Bianca reaches for my balls. I pull out and Bianca pulls my cock into her mouth and sucks all of Anjie's pussy juices from it, then sticks it back in. And pulls it out, licks it clean and sticks it back in. Three more times and I cum.

Bianca takes it in her mouth and swallows it easily. On the other side of the table, Flynn pops again and Anjie takes that one in her mouth, sucking and milking him hard to get every drop out of him. He and I plop back down on the seat as the two girls finish each other off. Suddenly there was a muted applause coming from the other side of the curtains. I look up and see eyes peeping through the edge of the curtains on either side.

Our secret's out, I thought and stuffed myself back into my pants and quickly left the booth. Once back in the bar, I saw that the television sets around the place had been showing our little indiscretion. The two girls were still on camera moaning and cumming. I watch on one of the sets as another round of applause happens. I notice that there are low light greenish night vision images on different sets. One set was still showing the Badger's basketball game.

The two girls finally get themselves together, pull the curtains back, and exit the booth with Flynn right behind them. More applause, fist pumps and woof-woofs break out and the three take a bow. I was shocked but very amused at what just went down. We thanked the girls, bought them another round of drinks and left the bar with huge grins and enough stories for a month. As we walked out, the manager came over and told us not to say anything if we wanted to return. That way the show could go on.

We agreed and have gone back every weekend to watch others get into the same situation. We are sometimes in the audience, sometimes participants. Either way we are having the time of our lives! On Wisconsin!

Yes, I am a peach of a girl, but everyone wants to know if I still have my cherry or not.

I'm just a freaky Southern girl that likes to get my sex-freak on. Don't let my youthful looks fool you, I can take any good-sized cock in my pussy and up my ass with the best of them. My pussy and butt are as tight as you'll find and my lovers like it that way. But don't take my word for it, check out my video.

I try to take care of my body (and mind), not only for me, but for my lovers, too.

I truly believe sex is as visual as it is sensual. Especially if you're fucking during the day when you and your lover can see everything. In the dark, everyone looks good, but turn the lights on or in daylight, I want to impress. I want to hear that I look good, that my breasts are prefect, and that my bald pussy is smooth and silky. I want my lover to see my face grimace as he fucks me.

### I'm with the guitar player

# sizing up the situation

I have to admit that one of the best sexual encounters I've ever had was with a guy who had a huge cock. Some ladies think that too big hurts when you fuck. I've mastered giving head with my mouth and hands so that the guy feels like it's all in. I love the long schlong and just cannot get enough if it. Men love that!

The guy I'm talking about, Bradley, was a musician who played in a different city every weekend. This particular weekend they were in mine, St. Louis, and I was talked into going to hear him play by my girlfriend, Kellsee, who had an 'in' with the promoter. She said we could meet some of the others in the band if we wanted to. That comment made me feel like a groupie at a rock concert, but I agreed to go anyway. The weekend came around and we went to the club, watched their set, and then, after the crowds went home, we went backstage and met some of the players. Kellsee's friend introduced us to a few of them and then to Bradley. By the time we got to their dressing room, most of their stuff had been put away, so Bradley and his manager invited us into the club for drinks. I didn't want to go, but everyone else did, so I tagged along.

After a few drinks, I was feeling tipsy and engaged in the conversation. Bradley actually turned out to be a nice guy and kept us engaged and laughing. Little did I know that was just the start of bigger things to cum. It was now well into the evening and we hinted at going home. Bradley, apparently, did not want the evening to end and invited us to his room. Feeling adventurous, I decided to go with him, but my friends both declined.

We went to his hotel room and sitting on the sofa, he continued with the groupie stories. Then he came over and started kissing me deeply, shoving his tongue as deep into my mouth as he could. I moaned with pleasure as his hands moved down and tore my blouse open and began fondling my breasts, kissing each one and then kissing me some more. Then, he pulled my skirt and panties off in one swift motion and before I knew it he laid me back on the sofa, pulled out his huge cock and pushed it inside of me. I shouted out loud with pain and then pleasure, and after few deft strokes he got into a rhythm that filled me with ecstasy and I came within five short minutes.

He pumped furiously a few more times and as I sensed he was about to cum, I pulled his cock out of me and was amazed at its size. My hand did not go all the way around it. I pushed him back,

*It turns out we were all horny and so we made the most of it!*

stood up and looked down at it. After a moment I looked at him and was about to say something when he blurted out that if he let me see it before we fucked that I wouldn't do it with him. I chuckled at him and said it was all right. I enjoyed it. Wasn't it obvious, I came immediately. I got on my knees and started to give him a blow job. The cock's head was just enormous. It was almost the size of a tennis ball, but purple with an inch long slit in it. The shaft was long and thick. Like one of those seedless cucumbers but fatter. Blood vessels were bulging and it looked like a Medieval battering ram.

Undaunted, I took it in both hands and began licking it all around. The taste of my pussy juices was replaced with liquid from my mouth and I grabbed the shaft with both hands, pulling and pushing it as I sucked on the head. I moved down the shaft to his balls. As I looked up, that huge penis extended to his navel! As I slipped a hand up to it's tip, my arm was just a little longer than his cock. My eyes opened wide with amazement as I licked up the shaft and back onto the tip of his cock. I got the head and a couple inches in and somehow still managed to get him off.

Suddenly, there was a knock at the door. Bradley quickly put on his boxers and I hid under the covers. He opens the door and I hear Kellsee's voice. I hold still under the sheets, and then -- swoosh -- they are pulled off me exposing my nakedness, and embarrassment to both of them.

"Funny seeing you here. And like this." Kellsee says with a smirk in her voice. I try to cover myself with my hands but realize I can't and just let it go. They both stand by the bed and pulled me up. Bradley pulls me close and Kellsee leaves the bedroom. A moment later Kellsee comes back in and takes us both by the hand out to the Jacuzzi in his suite. She has done this before, I thought to myself. By the tub, Kellsee takes off her clothes and Bradley drops his boxers. They get in and beckon that I do the same.

Bradley eases across the Jacuzzi and settles between Kellsee's legs. She opens them to accept him and closes them around his waist pulling him to her. I moaned at the sight. Bradley slowly stands with his erection and she obediently opens her mouth and takes him in. Kellsee wraps one hand around the base and another around the shaft. She runs her tongue up the side and takes the head in her mouth. She hesitated then slowly took as much of him as she could.

She formed a perfect "O" with her mouth and took the head in again and started to pump his cock with her hand. Kellsee used her other hand now and started to softly play with his balls and this produced another groan from Bradley. He pulled his hard cock from Kellsee's mouth and leans her back so he could get to her pussy and started to return the favor. Bradley used his tongue to lick up her slit and around her clit. He slowly licked back down and forced his tongue up her pussy.

Kellsee was already very wet from having that hard cock in her mouth. Bradley slowly licked her outer lips and traced his way back to her clit and slowly sucked it into his mouth. Bradley then stopped, turned her around, bent her over the side of the tub and started to do the same to her asshole. He spent a few minutes licking the tight ring while using his hand to play with her pussy. When his finger was coated in pussy juice, he started to rub her very slick anus and worked his finger in. Kellsee couldn't believe how good this felt. She was very aroused by the

new sensations and found herself pushing back against Bradley's finger trying to take it all in.

I was watching the scene unfold and slipped a finger into my own pussy. I could see Bradley's finger was almost completely inside Kellsee's tight asshole as he reached around with his other hand and started to rub her pussy. Bradley knew she was close already and wanted her to cum. He suddenly sank the remainder of his finger in her ass and one into her pussy. Kellsee screamed as her orgasm quickly rocked her body. I was nearing one myself but stopped because I didn't want to cum so quickly. I grabbed a nearby bottle of lube and filled my hands with it and proceeded to coat Bradley's cock. I then moved to Kellsee's round ass and massaged some into her anus. I couldn't resist the urge to work a finger into Kellsee's incredible ass.

He positioned his hard cock at her back door entrance and slowly started to push it in. Bradley continued to work his cock deeper into Kellsee's bowels as she did her best to relax and take him in. Kellsee was learning quickly and the pain was turning to pleasure. After several minutes Bradley finally had his entire cock in her ass. Bradley could tell she was adjusting to him quickly so he only paused a second before he started to slowly pump his hard meat in and out of her ass. He knew he would not last long. Kellsee's excitement was sending him to a quick orgasm but he didn't want to cum without her.

Kellsee moaned and hissed. Bradley started to move a little faster but the feeling was too much for Kellsee. She felt her whole body come to life as she came. Bradley came as he felt her ass tighten around his cock. I was right behind both of them. Bradley collapsed on her back and nobody moved for a minute of so. Bradley finally pulled his softening cock from Kellsee's ass and the three of us sat in the warmth of the Jacuzzi – cumming down from the sexually erotic high.

I started to say something and stopped. Bradley drifted over to me, took my hand and put it on his cock under the water. I stroked it back and forth as he looked directly at me. I don't know how Kellsee took such a large thing up her ass unless she did it often. Kellsee could see my hand working on his cock under the water. He stood up, warm water dripping off him and my hand still attached to his cock. Kellsee slides over and quickly takes his cock in her mouth. The both of us work in unison, sliding up and down his long, hard shaft.

Without even thinking, I get behind him and push him over at the waist. I take my hand off his cock and spread his ass cheeks apart. My tongue speeds to his anus and I begin licking the pruned hole furiously. I feel him moan over the Jacuzzi's noise and I stick my tongue inside his back door. Kellsee reaches around and grabs his butt cheeks spreading them even wider. This frees my hands and I begin fingering his ass with one hand as the other slips under him and mashes his balls. I move my finger in and out in sync with Kellsee's blow job and within minutes Bradley is spurting deep into her throat as I jam a second finger in to heighten his orgasm.

By now we are all completely exhausted and go over to the bed to get some rest. Next thing I know it is eleven in the morning as the phone rings. Bradley answers it and bolts out of bed. I ask what's up and he says the bus leaves in an hour and he is going to be late. I wake Kellsee up and we push him back down on the bed. Looks like the bus may hit the road without him today.

I've been told that I'm pretty hot in bed. I think I am more than hot.

**Hot, yeah that's what they say about me. I'm always moaning and groaning, even when giving a blow job. Guys tell me they like the faces I make when getting fucked, but they are only natural. I've tried to be more quiet but that doesn't work, so I just keep on moaning because it's a real turn on for me – and you.**
